IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

UNIVERSITY OF SOUTHERN
CALIFORNIA,

Opposer,

v.

UNIVERSITY OF SOUTH CAROLINA,

Applicant.

Opposition No. 91125615

Serial No. 75/358,031

Mark: **SC (Stylized)**

**OPPOSER'S NOTICE OF RELIANCE NO. 17 OF ALL OF APPLICANT'S
STATE TRADEMARK REGISTRATIONS**

Opposer the University of Southern California ("Opposer" or "California") hereby introduces into evidence by Notice of Reliance the following state trademark registrations owned (or at one time owned) by Applicant the University of South Carolina ("Applicant" or "Carolina"). The attached evidence demonstrates that while Carolina over more than three decades has filed more than 150 state trademark registrations for various trademarks and/or service marks, Carolina has never attempted to secure a state registration for the specific stylized mark that is the subject of this dispute and, more importantly, Carolina has never attempted to secure a state registration for *any* mark comprised exclusively of the letters "SC."

A party to an inter partes proceeding before the Board may introduce official records including state trademark registrations as part of its evidence in the case by means of a notice of reliance. TBMP § 704.03(b)(1)(A) (citing 37 CFR § 2.122(e) and TBMP § 704.07). In lieu of the actual official record, the TBMP also provides that an electronically generated document (or

copy thereof), which is the equivalent of the official record, such as a NEXIS printout, may accompany the notice of reliance. *See* TBMP § 704.08.

Attached as Opposer's Exhibit 256, is a true and correct copy of a LEXIS/NEXIS printout from the LEXIS/NEXIS "State Trademarks" database depicting all of the state trademarks owned by Carolina, as follows:
